

We are looking for you as **Service Technician (m/f/d)** **for assembly**

We are a medium-sized family business in the field of mechanical engineering for the confectionery industry with headquarters in Aachen. For the expansion of our assembly team we are looking for you as support!

YOUR NEW TASKS:

- General assembly activities, both in our workshop as well as on national and international assemblies at our customers' sites
- Revision and installation of production machines
- commissioning
- quality controls

YOUR PROFILE:

- A completed professional training as an industrial mechanic, mechatronics engineer, or similar.
- Professional experience in the field of mechanical engineering
- Distinct service orientation
- Willingness to travel for national and international assembly operations
- Knowledge of English, other foreign languages desirable
- Structured, independent way of working, as well as reliability
- Strong communication skills and ability to work in a team

WE OFFER YOU:

- A secure job with challenging tasks
- Appreciation of your performance and a fair payment, incl. installation bonuses, as well as further attractive bonuses
- An inspiring team
- Accommodation during the installation work will be organized for you as a matter of course

Does this challenging job suit you?

Then send us your application, stating your salary requirements.

We are looking forward to your application!
